Dear Parents, as we come to the end of very warm week, I would like to say a heartfelt thank you for your continued support and understanding. The hot weather has certainly brought its challenges, but with your help in ensuring children arrived with water bottles, sun hats and appropriate clothing, we have been able to keep everyone as comfortable and safe as possible. I would also like to recognise our wonderful staff, who have been absolutely superb throughout. They have adapted activities, kept a close eye on pupils' wellbeing and despite the heat, have continued to provide the high-quality care that our children deserve. We really do try our very best every single day and I am incredibly proud of their dedication and commitment. *Mr Figg*

### YEAR 3 TRIP TO MOUNTFITCHET CASTLE

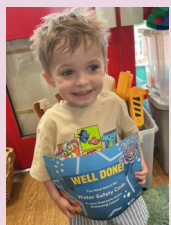

This term, Year 3 have been studying all about castles in their history topic. To further bring that topic alive, Year 3 visited Mountfitchet Castle and had a blast. Children stepped back in time as they explored the reconstructed medieval village, met a variety of friendly animals and discovered what life was like nearly 1,000 years ago. They enjoyed exploring the castle grounds, learning about medieval history and taking part in interactive activities that brought the past to life.

### Outside School Success

We love hearing about our pupil's successes outside of school. This week well done to:

Leo who received a water safety certificate. Sofia who was awarded 3 certificates in gymnastics. Taisia who also was awarded a certificate for gymnastics. Ved who was awarded an incredible 4 certificates in swimming. Jeremiah who won 2 end of season awards at football.

### Beech and Willow Class Assemblies

Well done to Willow Class on their amazing assembly on toys from the past. It was incredible to see such confidence from the children when performing.

Beech Class also performed their class assembly and entertained and informed their audience with animals from around the world. Well done Beech Class.
