Dear Parents we have hit the ground running this week with school trips, rock climbing events, football matches and information evenings. With the rest of this term looking equally busy please check the diary of events on page 2 of this newsletter. This week we have been looking at our school value of **being ambitious**. Ambition isn't just for adults with career goals—it plays a powerful role even in young children. When nurtured in a healthy way, ambition helps children grow into confident, curious, resilient and capable individuals. That's why we think it's so important! **Mr Figg**

Call of the Wild Trip

The Year 1s had a fabulous day at Call of the Wild zoo on our first day back. What a way to kick off the new term! They saw a wide variety of incredible animals, including flamingos, zebras, monkeys and birds of prey. The penguins were a stand out for most children but the cutest had to be the baby meerkat! It was great to be

able to link the children's learning in Science to real animals, discussing the differences between mammals, reptiles and other groups of animals. The children behaved wonderfully all day and were a credit to Northlands.

This week, some intrepid climbers braved the walls at the Rock Hub at Basildon Sporting Village. They had a great time climbing, belaying and swinging on the ropes!

On the 10th May Autism and ADHD awareness charities have organised a charity football match—Team Avery Essex and Anna Kennedy online. Alongside the Celebrity Football Match will be a family fun day. Prices are £3 per ticket or £10 for 4 tickets. There will be stalls, bouncy castles and more.

Please come and join them at Bowers and Pitsea F.C Len Salmon Stadium Crown Avenue SS13 2BE
