Dear Parents welcome to the final newsletter of 2024 and the Autumn Term (can you believe that!). It has been a very busy and successful term, full of highlights of which there are too many to name. I love working at Northlands and consider myself very fortunate to work alongside a hugely dedicated team of staff who want the very best for your children. I'd also like to say a big thank you to you, our parents and community, for all your support this year. Here's to an even more successful 2025! Have a lovely Christmas break everyone! **Mr Figg**

Reception and Nursery Productions

This week our Autumn Term and Christmas productions were brought to a close in style by our Reception and Nursery Classes. The children in Reception brought the Christmas feeling with a traditional nativity show full of incredible singing and performing.

Later in the week, our youngest performers from Nursery put on a wonderful concert full of their favourite Christmas songs. Well done to both year groups on your fabulous shows.

We always love to hear about our pupil's successes outside of school and this week we have plenty to celebrate.

Well done to Bethany who has been selected to compete for England in dancing! What an achievement! We also have Millie, Ella and Ruby who were presented with these trophies for their outstanding effort and progress in their dancing. Next, we are celebrating Kamile who won two medals: 1st and 2nd place at rhythmic gymnastics and Dominyka won 2nd place at a rhythmic gymnastic competition.

Finally a big well done to Evelyn who took part in a Santa run over the weekend.

Celebration Assemblies Stars!

Well done to these children who starred in our final Celebration Assembly of 2024!

The Helping Hands food bank closes its doors this week, after serving the community for 11 years. We would like to say a big thank you for all of the help and support they have offered to the Northlands community and wish them well.
